

COUNTY CHAIRPERSON

The County Chairperson (CC) is the local link between AMTNYS and the Mathematics Teacher in his/her area. The CC must be a member of AMTNYS and is appointed by the District Representative (DR) of the district. The CC may attend Assembly meetings but has no voting privileges unless attending as a designee of a DR. The CC may be removed for non-fulfillment of responsibilities by the DR, with the approval of the EDR.

Responsibilities

1. Promote membership in AMTNYS through both widespread communications and personal conversations
2. Maintain, to the best of one's ability, an up-to-date list of teachers and supervisors of mathematics in your area.
3. Send out information about AMTNY to members and non-members.
4. When feasible, attend AMTNYS conferences as a worker or participant. Encourage the attendance and participation of others in the Summer Workshop and Annual Meeting.
5. Work with your DR to promote local activities involving mathematics and mathematics education.
6. Work with Teacher Centers to provide for dissemination of information regarding AMTNYS activities.
7. Forward copies of all written correspondence regarding AMTNYS to the DR.
8. Be the direct contact with members to answer questions and provide information.
